An Act of Commitment - at start of each meeting

Hyndburn Inter Faith Forum Chairperson

In a world scarred by the evils of war, racism, injustice and poverty,
we offer this joint Act of Commitment as we look to our shared future.

All:

We commit ourselves,
as people of many faiths,
to work together
for the common good,
uniting to build a better society,
grounded in values and ideals we share:

community,
personal integrity,
a sense of right and wrong,
learning, wisdom and love of truth,

care and compassion,
justice and peace,
respect for one another,
for the earth and its creatures.

We commit ourselves,
in a spirit of friendship and co-operation,
to work together
alongside all who share our values and ideals,
to help bring about a better world
now and for generations to come.
