

Lancashire's Children and Young People's Plan - How it all fits together

Our Vision for Children and Young People

The Children's Trust is committed to doing everything we can to help and support children and young people in Lancashire to have a positive future.

**To do this we have adopted as our core belief;**  
 A moral commitment to work in the best interests of children and young people and their families at all times and make a positive difference to their lives
